RE: Letter of Commendation

Dear Minjia,

It is my pleasure to send a letter of commendation to you for your teaching performance this past fall term (Fall 2022) in the Comm294 course at UBC Sauder. Your scores on the student evaluations for this course rated in the top quintile within the faculty. I very much appreciate your contributions to the school and the effort you put into your teaching (and I know the students do as well!). Congratulations on an outstanding performance.

All the best,
